

# SEASHORE

A SALLY CHANCE DANCE PROJECT PRESENTED IN ASSOCIATION WITH INSITE ARTS AND THE AWESOME FESTIVAL

## A once in a lifetime experience!

*Seashore* is a performance *for* young children *by* young children. We are inviting children aged three years and younger, and their adults to participate as performers.

Join the team from Sally Chance Dance to create, rehearse and perform in *Seashore* at the AWESOME Festival!

We recommend that babies involved as project participants are at least 12 weeks old. We also require children to be not yet 4 years old in September 2022.

## *What does the project involve?*

### WORKSHOP WEEK

The first stage of *Seashore* is a week of creative development workshops where you create and rehearse the content for the performance. These workshops run from Monday 19 September to Saturday 24 September daily at 10 - 11.30 am.

The workshops are child led, with you (The child's adult) taking an active part as their artistic partner, using play, movement, observation and connection.

### PERFORMANCE SEASON

The second stage of *Seashore* is the performance season from Tuesday 27 September – Saturday 1 October with shows at 9.30am Tuesday 27– Friday 30 September and 9.30am and 11.30am Saturday 1 October.

You choose how many of the performances you and your child feel able to do. You will need to arrive 30 minutes before each performance.

*"Seashore brought us lots of joy. We created memories to treasure. As someone with no background or experience in performing arts I found witnessing the creative process truly fascinating. I also found the experience of coming together as a community to dance at Seashore very uplifting."*
